**Sunday, August 19 – Saturday, August 25, 2018**

Dear Madawaska Athlete & Family,

We look forward to seeing you at **MADAWASKA ALL-SPORT CAMP 2018!** Please read the following and save this document for future reference.

**DIRECTIONS TO CAMP:**

A map with detailed driving directions can be viewed online on our website [www.madawaskacamps.com](http://www.madawaskacamps.com) or by clicking this quick link here: <http://madawaskacamps.com/index.php/direction/>

**TRANSPORTATION:**

Athletes have the option of using camp transportation or arranging for their own transportation. Please complete the enclosed transportation form and return it to the camp office before July 1<sup>st</sup>. **Refunds on Transportation charges will not be issued after July 15<sup>th</sup>.**

All athletes must arrive on the first day of their session only as accommodations will not be available prior to this day. Athletes should arrive between 1- 3 pm.

We offer our All-Sport campers transportation from **Toronto only (Centennial College, Residence & Conference Centre in Scarborough)**. Costs are indicated on the enclosed transportation form. These prices include H.S.T and are non-refundable after July 15th.

The busses are air-conditioned and peanut-free lunches should be taken on board. Full payment must accompany the bus transportation application. Please be sure to book your seat prior to departure. Athletes will not be permitted on the bus without a reserved seat.

**HEALTH:**

The camp provides a medical staff knowledgeable in first aid and athletic injuries. We also have a registered nurse on site at all times to deal with medical conditions as required. **MEDICATIONS ARE NOT PERMITTED IN THE CABINS.** As you register on the first day of camp, please have your medication labeled with your name in the original container and have it ready to give to the camp nurse. **Please do not bring over-the-counter allergy or pain-reliever medications.** The camp's medical office is fully equipped with such medications. . **\*Inhalers/puffers and epi-pens should be carried by the camper at all times.**

Please complete the enclosed health form and return it to the camp office by July 1<sup>st</sup>. All returning campers must complete a new form because last year's forms have been archived. If there are any changes to your child's health between July 1<sup>st</sup> and the start of camp, please inform the camp office.

**WE ARE NUT AWARE:**

At Madawaska Camps we provide a NUT AWARE environment. We have a process in place that supports athletes with life threatening allergies. Although our menu does not include peanut products and we ask the cooperation of our families to refrain from sending any foods which may include nut products, unfortunately we cannot control the food items brought to camp by other campers. Proactive health teaching is provided to our staff by our medical personnel to ensure quality care and that appropriate responses take place should there be an anaphylactic reaction. Our counselors perform cabin checks, DO eat with the athletes and actively supervise lunch and snack times to help reinforce this important policy. This active supervision decreases putting athletes at risk. Athletes who regularly carry an epi-pen should provide details on the enclosed form.

**CAMPERS WITH DIETARY NEEDS:**

For campers who require a gluten free diet, we can accommodate you. At the first meal in the dining hall, we will introduce you to our chef and kitchen staff and they will be able to answer any food related questions you may have. You will be shown the “special diet” area where you will be able to pick up your food for the week. We also have separate toasters for our gluten-free campers and staff. We also encourage you to pack some nut-free snacks from home. If your food requires refrigeration, please do not hesitate to let our kitchen staff know. You should not be hungry while you’re with us!! If your needs are not being met, let us know right away!!

**FREE VOLLEYBALL AND CAMP T-SHIRT:**

Every camper will receive a new volleyball which will be given to them at the beginning of the All-Sport week. This volleyball will be used during the week of camp so campers should make sure they label it with their name when they receive it.

Every registered camper will receive a free t-shirt at registration. The size of shirt will reflect the size chosen on the previously submitted Athlete Application.

Should the situation arise where a camper is anxious or uncomfortable, the staff are trained and dedicated in helping ease anxiety and will positively assist the camper with assimilating into the camping lifestyle. We view this week as a growth period for your child both socially and emotionally and we appreciate your support in this area. Of course, as you are the best informed of your child's personality and well-being, we appreciate the opportunity to use you as a resource should we feel a need. While your child is at camp, your anxiety might also be heightened so remember, no news is GOOD news!

**BALANCE OF FEES:**

The balance of your camp fee is due by July 1<sup>st</sup>. Please note that deposits will not be refunded after July 1<sup>st</sup>. Please refer to the invoice enclosed for your balance. Payment by VISA or MasterCard is available over the phone by contacting the camp office. If you have arranged for a postdated payment for July 1<sup>st</sup>, you do not need to call the office.

Please do not send cash, rather make cheques/money orders payable to Madawaska Camps and send to the camp office (Cobourg). Receipts will be provided by E-mail. Please do not hesitate to contact Carrie at the camp office should you have any questions about your payments.

**CAMPER & FAMILY CONTRACT:**

In this information package you will find a document which should be read and discussed in detail as a family. Once completed and signed by the camper and parent/guardian this form should be returned to the camp office by mail or fax. Should we not receive a contract from you before camp, the camper will be asked to read and sign one at registration on the first day. We strive to provide the best possible camp experience for every camper and staff member and offering a safe environment is paramount. Thank you in advance for taking the time to complete this important form.
